Defintions**

"The Provider" means Saba Telephone Co N.V.

"Service" means asymmetric digital subscriber line access to the worldwide computer network known as internet including computer resources, disk storage and computer communication resources.

"Customer" means the user of this Service who pays fees to Saba Telephone Co N.V.,

Provision of Service:

The provider shall provide the Customer with the Service. The Service shall generally be available 24 hours a day, seven days a week except for service maintenance times which the Provider will advise to Customer from time to time.

The Provider shall provide Customer with a Login ID code, unique password, telephone number & other login information that is required to enable connection to the Service.

Charges

The charges for using the Service are detailed in this Agreement. The Provider retains the right to alter these charges from time to time and shall give the Customer one month's written notice, by letter, fax or email, of any such alterations.

Minimum contract period is 6 months. Early contract termination penalties will apply.

Customer Responsibilities:

The Customer agrees to provide the telephone line, modem, computer and software as necessary to access the service.

The Customer agrees not to assign or otherwise transfer this Agreement or Customer's rights under it, delegate Customer's obligations or resell the Service.

The Customer is responsible for the selection and use of security features, non-disclosure of personal login information and backup of any information. The Customer is responsible for all use of the service accessed through the Customer's password. Disclosure or loss of login information that incurs charges or Service misuse is the Customer's responsibility and should be reported to The Provider as soon as possible.

The use of the Service is at the Customer's sole risk and is entirely the Customer's responsibility. The Provider does not and cannot monitor or control the content and information accessed via the Service and the Provider shall not be held responsible in any way for any content or information accessed via the Service.

The Customer will not use the Service so as to interfere with or disrupt network users, services or equipment. Disruptions include but are not limited to distribution of unsolicited advertising, propagation of computer worms and viruses, using the network to make unauthorised entry to any other machine accessible via the Service, send harassing or threatening electronic mail or forgery or attempt forgery of electronic mail messages and Usenet news postings.

The Customer agrees to refrain from mass postings to inappropriate Usenet newsgroups. The Customer agrees to refrain from mass, unsolicited emailings. The customer agrees to post advertisements only where appropriate, and in venues that specifically encourage or allow advertising. The Customer agrees to respect the conventions of the newsgroups, lists and networks to which the customer is posting, including rules more restrictive than, but not limited to the above.

The Service cannot be used by any individual or group of persons for any activities of an illegal or fraudulent manner including any activities prohibited under the Telecommunications Act of The Netherlands Antilles, or under other applicable laws and or unauthorised use of copyright material.

Certain Internet content accessed via the Service may contain material which the Customer may find inappropriate, offensive, inflammatory, or adult in nature. The Provider does not endorse such material and disclaims any and all liability for their content.

The Customer hereby indemnifies The Provider in respect to any loss or damage action claim suit or proceeding against The Provider by any person arising out of the use of the Service by the Customer including but not limited to the transmission of any illegal and/ or fraudulent material.

General Terms

The Provider may monitor or keep any records that the Provider deems necessary of Customer use of the Service.

The Provider does not warrant that the service will be uninterrupted or error free, nor does the Provider make any warranty as to the results obtained from the Service. The Service is provided without warranties of any kind, either expressed or implied, other than those warranties implied into this agreement by legislation such as the Trade Practices Act and which cannot be excluded. To the extent permissible by law, The Provider excludes all liability for any direct, indirect, special or consequential damages arising out of the supply or use of the Service or inability to use the Service and where such liability cannot be excluded. The Provider limits its liability, at its option, to the resupply or cost of resupply of the service.

Termination

This agreement shall remain in place until it is terminated by either Customer or The Provider by giving one month's written notice.

The Provider reserves the right to terminate the Service without notice if Customer misuses or abuses the Service or The Provider. What constitutes misuse or abuse of the Service is determined by The Provider.
